January 2022

Dear ALSA and LUT Members,

We recently approached the District regarding the possibility of a separation incentive. Historically, acquiring such incentives has been based upon the number of teachers and administrators eligible for retirement and their willingness to retire if presented with a monetary incentive that is tied to accumulated sick time. Please note that a separation incentive does allow separation from the District for reasons other than retirement.

In order to make a strong case, we will need to gather information. If you are considering retirement or separation from the district as of June 30th, 2022 and an incentive would weigh heavily in your decision, please contact us at the following numbers, by Friday, January 28th:

ALSA members - John Avena – 516-434-7304

LUT Members - John Caulfield – 516-796-5660

The information you provide will be kept in the strictest of confidence.

Thank you.
